

Are you a charity/social enterprise? Would you like to...

Inject more revenue? Increase impact? Achieve sustainability?

ThinkSpace Academy is the flagship **pro-bono initiative of The Social Investment Consultancy (TSIC)**. It is a 2-day workshop which brings together creative problem-solvers with a broad and diverse range of experiences and backgrounds, giving their time to help design solutions for a cohort of high-potential charities.

We are **recruiting 4-5 charities and social enterprises to join the second cohort of the ThinkSpace Academy**. Based on TSIC's original methodology, **Charities Unlocked**, the ThinkSpace Academy programme is designed to assess each charity's unique assets, applying them to entrepreneurial ventures to augment and diversify your revenue.

Who is it for?

The ThinkSpace Academy is aimed at high-potential charities

We provide the opportunity to meet other like-minded people and organisations, so that your charity can profit from a culture of sharing and collaboration

When and **where** is it?

The programme will run from 13-14th December at TSIC's head office in London. Travel subsidies may be available for organisations outside of London.

How to apply?

Please send a 1-page cover letter detailing information about your organisation, why you would like to join and how it could benefit your organisation to jessica@tsiconsultancy.com, by 18 November.

“ Thank you so, so much for an amazing two days! We learned so much and are feeling ready to begin the business end of our CIC. You are a great team and your training was excellent. We also made some very useful and interesting contacts” – Books Clubs in Schools, ThinkSpace Academy 1st cohort, 2016
